Reserves List:

Please note that if a gymnast is unable to attend a session, their place cannot be offered to another gymnast, as these sessions are dedicated solely to the athletes selected for this year's squad. If, for any reason, a selected gymnast is no longer training in any capacity, we kindly ask that you inform us as soon as possible so we may keep our records up to date.

Coaches:

Attending coaches must be a **minimum** of a Level 2 qualified coach, and **must** be booked onto the portal should they wish to attend the session with their gymnasts. We are happy to invite as many coaches as possible, provided they have an up to date DBS, and the correct qualification for the gymnasts they are coaching.
