

The background of the slide features a series of overlapping, wavy blue lines that create a sense of motion and depth. These lines are composed of many thin, parallel strokes, giving them a textured, ethereal appearance. They flow across the frame from left to right, with some lines curving upwards and others downwards, creating a dynamic, wave-like pattern.

- The skills marked as show are **NOT** holds. This means the gymnast must show the Judge the correct skill, but will not get penalised for non holds.
- Floor routines must **NOT** exceed 1 minute 30 seconds. Routines that exceed this time will be deducted 0.3 from the final score.
- All skills **MUST** be performed in order. Whilst there is **no deduction** for the incorrect order, it's important the gymnast does not miss a skill. Failure to attempt a skill will be deducted 0.5 from the final score. IGA recommends that clubs do not enter gymnasts unless they can compete all skills. this gives them the best chance to level up.
- Please remember that these routines are scored out of 10 based solely on execution. The emphasis is on clean performances with a strong focus on good technique.
- Choreography must be added to all routines – **However**, Level 10 and 9 will not get deducted on artistry.
