This is an individual apparatus competition. Medals will be awarded to the first three scores, in each Level group, on each apparatus.

Gymnasts should compete in the order shown; if going out of order, for any reason, please ensure that the judges are informed. The Head Judge on Vault will control the order according to which vault is to be used. There will be a five-minute apparatus warm-up prior to each round, this will only allow gymnasts to practice a couple of moves to get used to the equipment. Any disputes, on the day, should be referred to the Competition Organiser for resolution.

Timings have been set according to the best information available, but are only a guideline and gymnasts, coaches and parents should be aware that this can change on the day. Competitions may commence earlier at the discretion of the Competition Organiser.

Please note that "Intention Sheets" are compulsory, and coaches must present them to the appropriate judging panel prior to warm-up on each apparatus. These sheets are intended to aid the judges and to speed the process. You must use the correct sheet for each Age, and they should be properly completed without alterations. Failure to present a correctly completed Intention Sheet will result in a 1.00 deduction from the final score on each piece, as per the IGA rulebook.
