COMPETITION ENTRIES:

At the heart of GFA is inclusivity – ensuring that every child has the chance to enjoy gymnastics regardless of their background, experience, or skill level. Whether a gymnast is just beginning their journey or looking to stay active in a non-competitive setting, the GFA programme offers structured progressions, achievable goals, and exciting opportunities to perform and grow at their own pace. Gymnasts level 1-9 compete three pieces of apparatus, Floor, Trampoline, and Vault. Gymnasts level 10-12 compete four pieces, Floor, Trampoline, Vault, and have the choice to add either Beam or Bars as their 4th piece.

COMPETITION ENTRY COSTS:

All Levels:

£40.00 per entry

Gymnasts compete all three pieces of apparatus

Supernova:

Entry fee: £70.00
(Includes Leotard)

Flip Fest Events:

Team entry fee: £25.00
Gymnast: £27.00
(Includes T-Shirt)

COMPETITION ENTRY LIMIT: 30 gymnasts per day, per event.

Please note - Competitions have set entry numbers due to venue capacity

LATE ENTRIES:

Late entries will not be accepted under any circumstances.
Once the entry deadline has passed, no further entries will be permitted.

FIRST TIME ENTRIES:

At IGA, we offer entry level flexibility to support gymnasts in their first year of competition, allowing them to enter any level within the provided guidelines. However, it is essential that coaches carefully check the required entry level criteria, to ensure gymnasts are entered into the appropriate level for their ability.

SAFE PARTICIPATION:

IGA Coaches are encouraged to prioritise the gymnast's ability to perform all required skills safely, rather than focusing solely on achieving higher scores. Well-executed basics are preferred over attempting higher-scoring skills. Emphasising clean, well-executed routines with minimal deductions promotes overall performance excellence and enables gymnasts to progress through levels confidently. Please note, our Safeguarding Officer may be present at IGA competitions and has the authority to intervene if they feel a potential accident or safety risk is imminent.

IGA AWARDS **NEW**

ALL GFA COMPETITIONS

Medals will be awarded
for 1st to 3rd on all
apparatus.

A well done medal will be awarded to
all gymnasts who have participated in
the competition

THINGS TO BE AWARE OF: **NEW**

Gymnasts who participate alone in a category will **only** receive one gold medal and a Well Done Medal.

ENTRY REQUIREMENTS:

Entry requirements for our IGA competitions are essential and play a crucial role in maintaining the safety and well-being of all participants. It is vital that clubs adhere to these requirements to ensure they align with our safeguarding standards. By following these guidelines, we can create a secure and supportive environment for everyone involved, from gymnasts and coaches to spectators and officials. Your commitment to these standards helps us protect our entire gymnastics community and uphold the highest levels of safety and care.

CLUB REQUIREMENTS:

An IGA club **must** hold Legacy or Unity Affiliation to enter IGA competitions.

An IGA club **must** provide one volunteer to support IGA competitions.

Clubs must be fully compliant with IGA Membership Policies to enter IGA competitions.

Clubs that do not hold the correct affiliation or fail to adhere to IGA policies will not be permitted to enter IGA events. This requirement is in place to safeguard the integrity and wellbeing of our community.

COACH REQUIREMENTS:

WAG, MAG, or GFA Qualifications

LEVEL

Minimum GFA Level 1 – Assisted by GFA Level 2

LEVEL

Minimum GFA Level 2

Please note: All coaches must have a valid DBS and safeguarding certificate linked to their profile in order to be permitted on the competition floor. Failure to have these credentials in place will result in access being denied.

Additionally, coaches without these credentials will be unable to book via the portal. This is not a JustGo system error – please ensure the coach's profile is fully updated and meets the necessary requirements before attempting to register.

JUDGING REQUIREMENTS:

All clubs entering the competition, regardless of the number of gymnasts entered, must nominate at least one judge as part of their entry.

The nominated judge must be available for the entire competition weekend and not for selected rounds only. Please note that the nomination of a judge does not guarantee that your judge will be selected to officiate. IGA will appoint judges at its discretion and may utilise independent judges where appropriate to ensure fairness and consistency across all competitions.

However, the submission of a judge is a mandatory requirement for entry. Competition entries submitted without a nominated judge will not be accepted.

COACH TO GYMNAST RATIO REQUIREMENTS:

Clubs are required to provide a sufficient enough coaching team for the different levels they have entered. Gymnasts will be grouped in clubs and age groups. Age groups will all be judged on the same panel which means gymnasts from the same club may not always be placed together, however efforts to place teams together will be made where possible. IGA will not move any gymnasts into different groups once the Event Plan has been created. It is the clubs responsibility to ensure gymnasts have the adequate support at an IGA competition.

COMPETITION ORGANISING TIMELINE:

Q&A

GENERAL	EXPLANATION	WHY?
Can you replace a skill on the set routines with something else?	No, all set routines must be performed as written on the handbook	We believe these skills are fundamental to the growth of GFA, if the gymnast is not able to complete all skills they are not ready.
What happens if my gymnast misses a skill?	If the gymnast misses a skill she will receive 1.0 deduction from their score for each skill.	It is important that we remain fair to those gymnasts who have completed all skills successfully at competition.
Do we still have flexibility on which Level we enter for the first competition?	Yes, we recommend coaches being mindful that they are putting the gymnast in the correct level for their ability level.	We want coaches to be able to exercise the right to decide what is best for the gymnast.
